

North East Axminster Urban Extension Masterplan

PUBLIC EVENT

10.00 - 14.00 and 16.00 - 18.30
Thursday 6th Dec at the Guildhall

In July hundreds of you kindly came to a consultation event run by HYAS Associates Ltd in partnership with East Devon District Council, Persimmon Homes and the Crown Estate to discuss the future urban extension of your town.

We have now considered yours and other's input and have prepared a preferred masterplan.

We are now inviting you to come and give us your views on the preferred masterplan which includes the relief road design, an explanation of the quantity of housing that is needed and is appropriate, the provision of jobs, a neighbourhood centre, open space and other infrastructure.

All these things contribute to delivering an attractive, well designed and connected neighbourhood for Axminster.
