

AGENDA ITEM 13 A – ANNUAL PARISH MEETING 2021

REPORTS FROM COUNTY AND DISTRICT COUNCILLORS

"Dear Cllrs & Residents of the Axminster Parish, I am sorry that I am unable to attend tonight, due to being en route to Snowdonia to climb Mount Snowdon with other members of Parish to raise funds for arc and awareness of suicide.

This calendar year has been collectively the most challenging time in living memory and while writing I am reflecting on how we have as Communities responded to the challenges and sacrifice - we certainly are the home of 'Community Spirit' and thank you to all those who have helped so many.

Our thoughts are with those who have lost family and friends during the Pandemic.

We can hopefully kick onwards and upwards together.....let's hope that we can smile and enjoy each others company once again as we certainly are stronger together.

I, as will be the case for all Parish, Town, District and County Cllrs will be here to help and assist you with the many enquiries we collectively receive.

Finally, I am really pleased that Cllr Oliver Tucker has indicated that he wishes to help solve the Skatepark dilemmas and hopefully if we can get the right site and ensure the safeguarding of our young people is paramount in our thinking - I am more confident that a Skatepark will finally be delivered.....we need Axminster Town Council to be actively involved going forward.

I declare being Chairman of both the Skatepark & Cloakham Lawn Sports Centre Charities"

I.L. HALL – County and District Councillor.
