## Welcome to the Allotments

These allotments are managed by Axminster Town Council. If you have any queries or concerns, please do not hesitate to contact us.

## Important Information

**Emergencies:** If you require the emergency services, please provide them with the following What3Words location reference: [ambushed.piglets.cycles](https://www.what3words.com/ambushed.piglets.cycles)

Any problems relating to the allotments should be brought to the attention of Axminster Town Council who can be reached at their office at The Guildhall, or by phone during opening hours.

**Water:** The water supply will be available between April 1st and September 30th.

**Bonfires:** You may light a bonfire subject to the terms in our allotment regulations. Bonfires are only permitted on this site between October 1st and April 30th.

Please make sure bonfires are fully extinguished before you leave your plot

**Access:** Please be aware that there is no vehicle access to Millwey Rise allotment. Deliveries can be dropped off in front of the noticeboards to the left of the front gate, but must be moved onto your plot on the day of delivery to ensure the space is available to all.

Please note, anything left unsupervised in this area for too long may be considered flytipping by EDDC therefore deliveries to this area are at your own risk.
