

Public consultation

Land east of Axminster

The Crown Estate would like to invite you to a public consultation to present our vision for the future of land forming part of the Axminster North East Urban Extension, and to get your thoughts on our proposals.

The site has been identified by East Devon District Council as suitable to deliver new homes, commercial space and infrastructure to help meet local need.

We are working with the County and District Councils and Persimmon Homes to bring forward proposals that will help deliver a new relief road for Axminster, new homes and employment space.

The Crown Estate will be holding a public consultation, please feel free to drop by.

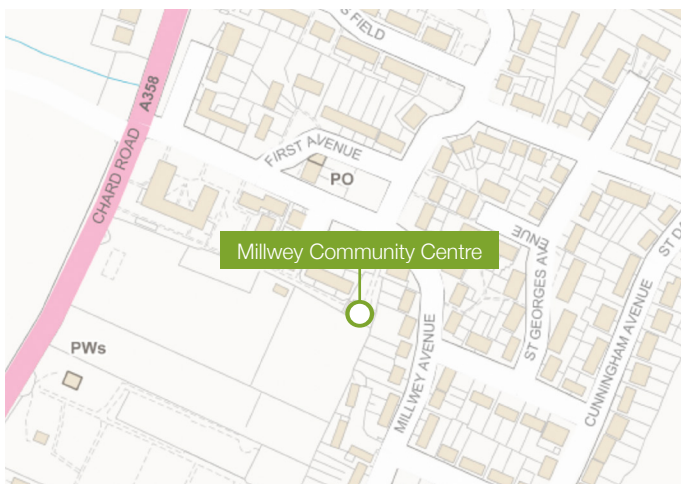

Details are as follows:

Venue:

Millwey Community centre
Millwey Avenue
Axminster
EX13 5EH

Date and time:

Friday 8th February 2pm - 8pm

© Copyright OS Maps

If you would like more information about the consultation, then please call us on **020 7554 1812** or email us at axminster@portland-communications.com
