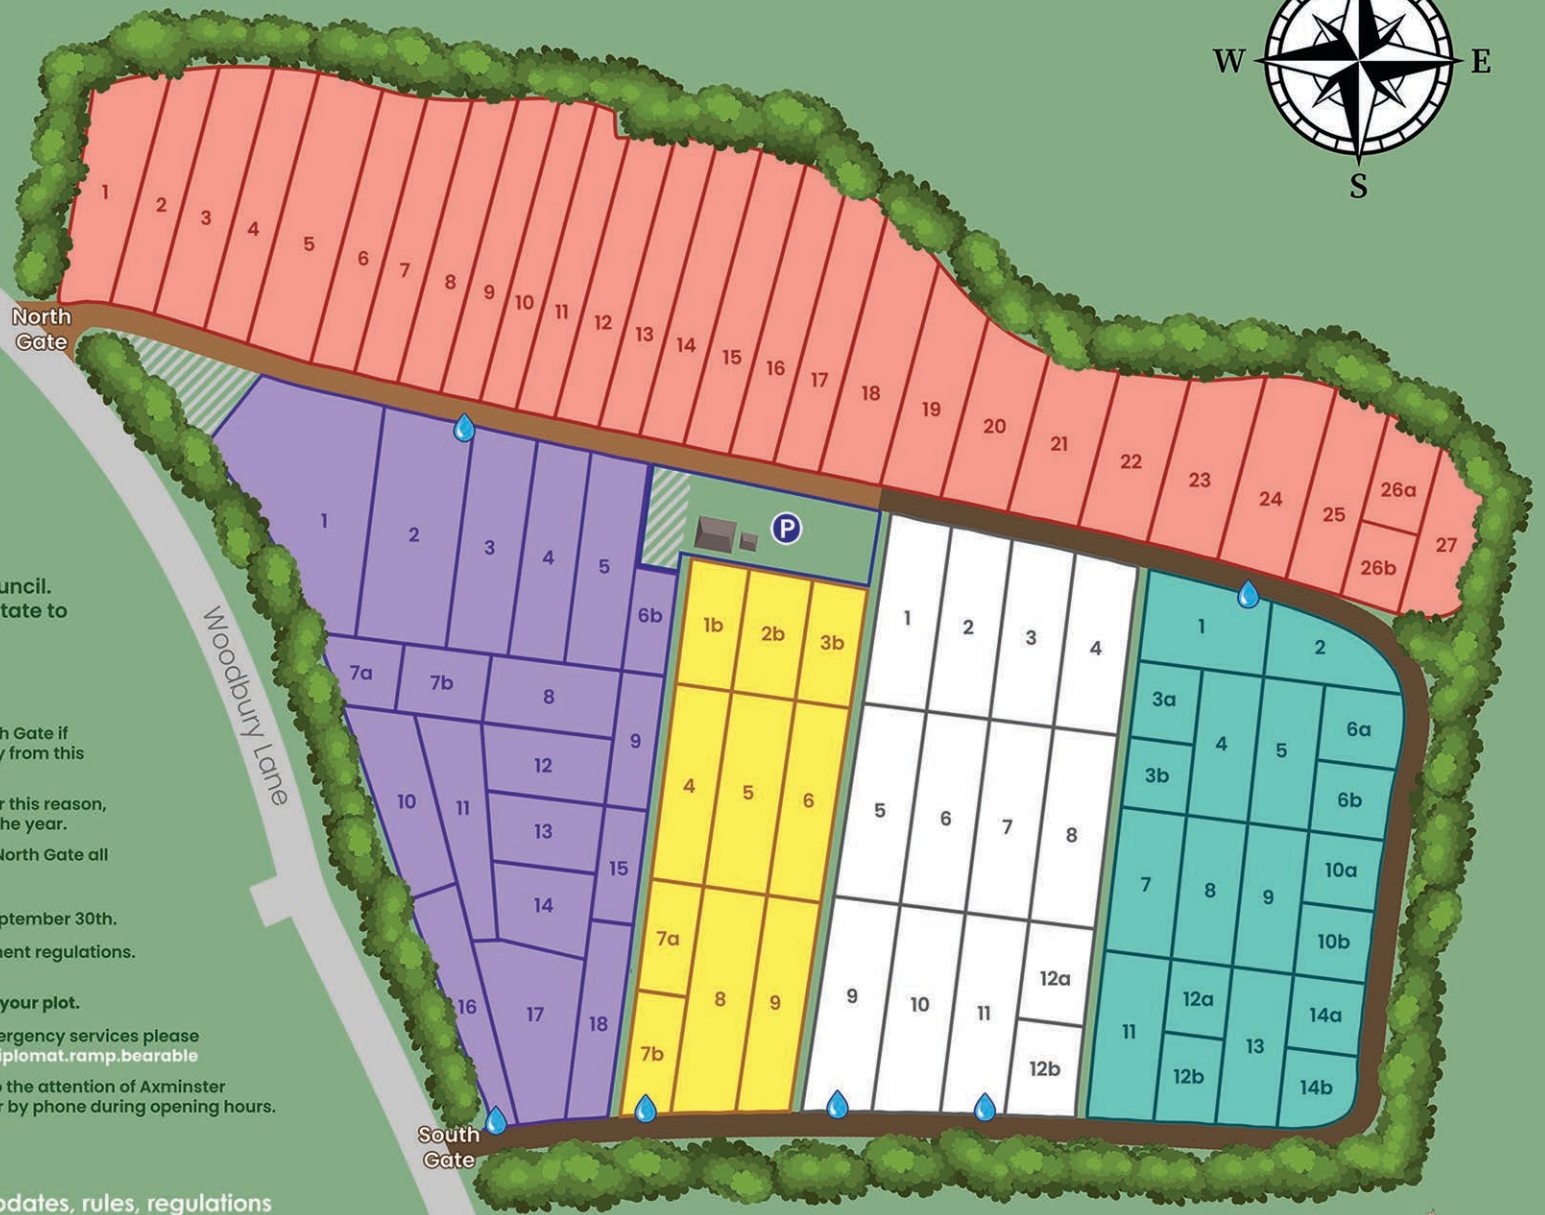
Water Tap	
Parking	
Summer Only - Vehicle Access	
Delivery Drop-off zone	



Welcome to the Allotments

We hope you have an abundant and "fruitful" growing season here at Axminster's largest allotment site.

These allotments are managed by Axminster Town Council. If you have any queries or concerns, please do not hesitate to contact us.

Important Information

Access: Please only attempt to access the allotments via the South Gate if absolutely necessary and only when the ground is dry. The visibility from this entrance is poor and the access is steep and can become slippery.

The Eastern side of the allotment becomes boggy following rain; for this reason, access for vehicles is restricted beyond the yellow zone for part of the year.

You can still access the parking area and drop-off zones from the North Gate all year around.

Water: The water supply will be available between April 1st and September 30th.

Bonfires: You may light a bonfire subject to the terms in our allotment regulations. Bonfires are only permitted between October 1st and April 30th.

Please make sure bonfires are fully extinguished before you leave your plot.

Emergencies: In the event of an emergency that requires the emergency services please provide them with the following **What3Words** location reference: **diplomat.ramp.bearable**

Any other problems relating to the allotments should be brought to the attention of Axminster Town Council who can be reached at their office at The Guildhall, or by phone during opening hours.

Visit our allotment webpage for updates, rules, regulations and news. Just scan this QR code or visit the link below.
