Cty./Dist. Cllr. Hall has tendered his apologies for this meeting.

He has submitted the following report:-

I attended the second meeting with 'Homes England' last Tuesday at Westminster.

Please ensure that the Town Council are aware that after two meetings, there is a continued need to look at any/all available options to ensure that the agreed 'Masterplan' can be delivered in its entirety.

I will continue to work with EDDC/DCC & Homes England to ensure that the viability is achievable within the new constraints imposed by the new wording of a 'recoverable grant'.

I will of course keep the Town Council informed of any developments.

There is no report from Cllr. Hull.
