

COUNTY AND DISTRICT COUNCILLOR REPORTS MAY 2019

REPORT FROM DISTRICT COUNCILLOR MOULDING

Before giving you my list of engagements, can I say how pleased I am to have been returned at the recent election to East Devon District Council for my ninth term.

It will certainly be a different experience this time as the conservatives will not be in overall control, as in the previous eight terms.

I have been appointed as leader of the conservative group.

Here is my list of EDDC engagements as Chairman of the Council during the past month

- Attended 6 Rifles dinner at Wyvern Barracks
- Chaired a meeting of the Standards Committee
- Chaired Full Council meeting
- Attended an LED monitoring meeting at Exmouth
- Chaired a welcome meeting for new councillors
- Attended the investiture ceremony at County Hall for recipients of the British Empire Medal. This included, of course, the investiture of John Jeffery BEM – a very proud moment for John – and well-deserved.

REPORT FROM COUNTY/DISTRICT COUNCILLOR HALL

I will not be able to attend tonight's (Monday) Town Council Meeting as I will be at work.
