# Welcome to Axminster

NB: this map is not to scale - artistic license has been used, therefore positions are approximate!

Whether you live here or visit, there is something special about Axminster.

Scratch the surface and you find a strong underlying sense of friendship and community spirit.

It's easy to miss this little town at Devon's eastern edge. But if you pause awhile, you will find a real gem.

For more details on many of the shops, restaurants and cafés listed here please visit [www.axminsterbusinessdirectory.co.uk](http://www.axminsterbusinessdirectory.co.uk)
