PLAN25/009

To consider planning applications (as shown below) advised by the Local Planning Authority (East Devon District Council) prior to the agenda publication:

i) 24/2650/FUL

Land at Newlands Farm, Crewkerne Road, Axminster, EX13 5SF

Construction and operation of a BESS (80MW) comprising battery units, inverter, transformer, substation buildings, compound, access roads, storage tanks, CCTV, landscaping and all ancillary and associated works.

Representations heard from non-members of the committee present.

Acting Chair thanked Hawkchurch Action Group for their written representations and reports which all members of the committee had received and read.

Consequently, **the Acting Chair proposed that the Town Council should submit a comment of OBJECTION to the application as considered on the following grounds:**

Insufficient information available to provide assurance of environmental protection, fire safety, habitat protection, water security, resident amenity, highway nuisance and noting that only 12 of the 44 NFCC guidelines/recommendations had been met at the time of the application review.

Clerk answered some procedural questions put by members on the consultation and review process and the involvement of other statutory authorities and stakeholder bodies.

The proposal for OBJECTION was seconded by EP. Resolved 4 votes for, with 1 abstention (SL on the basis that they had not been present to hear all public representations and therefore were not in possession of all evidence at the time of the decision).

Acting Chair thanked all committee members, non-committee members and all those sitting in the public gallery for their attendance and participation. At this point, twenty-two of the public present left the meeting.

Continued overleaf.
